

QUALITY POLICY

Industrias JAVER sets its Quality Policy on four fundamental points:

- To satisfy all the interested parts who take place in our diary work, answering all their demands and requests.
- To work everyday in order to improve our Quality System and Organization.
- To guarantee the satisfaction of our staff, teaching them properly, having a good communication and a pleasant working environment.
- To establish Goals related to this Policy and to guarantee their applications by the whole staff working in Industrias JAVER.

The Managing Department of Industrias JAVER compromises to communicate this Policy and make sure it is understood, applied and revised periodically by everyone in this organization.
